

Leavitt Reservoir Expansion Project

Environmental Impact Statement

How to Comment

You may submit scoping comments by any of the following methods:

At this meeting:

Provide oral comments directly to an oral comment recorder at the public scoping meeting; or fill out a written comment form and leave it with the BLM tonight (or mail it via USPS at a later date for receipt by November 13, 2017).

Email

blm_wy_cody_comments@blm.gov

Mail

Mail a completed/stamped comment form or letter to:

BLM, Cody Field Office
Attn: AFM Minerals and Lands – Leavitt Reservoir EIS
1002 Blackburn Street
Cody, Wyoming 82414

Effective Public Commenting: The most helpful comments are those that are timely, specific, and actionable in regard to the content of the environmental impact statement. Examples include: 1) new data or information regarding the affected environment or analysis methodologies; 2) a specific resource concern that should be analyzed in the EIS; 3) an alternative element that meets the purpose and need statement and should be considered in the range of alternatives; and 4) mitigation or other suggestions to reduce impacts.

ALL COMMENTS MUST BE RECEIVED BY NOVEMBER 13, 2017.

Before including your address, phone number, email address, or other personal-identifying information in your comment, you should be aware that your entire comment — including your personal identifying information — may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
